FOR IMMEDIATE RELEASE – Monday, October 16, 2017

**Exponation to Debut Connected TechExpo (CTE) 2018
In Las Vegas October 17-18**

***Award winning producers of Digital Signage Expo,
LightShow West and LED Specifier Summit
Announce First Technology Forum & Exhibition for Smart Buildings & Cities***

Atlanta – **Connected TechExpo (CTE)**, the world’s first and only trade show and conference exclusively dedicated to technologies that specifically serve the needs of professionals who design, manage and implement lighting, controls, security and IoT solutions for smart buildings and cities.

CTE will feature an educational conference offering eight tracks devoted to: Smart Buildings (four tracks), Smart Cities (three tracks) and Smart Homes (one track). Each track will offer multiple 60-minute seminars as well as two or more 90-minute “super sessions.”

Lea Tranakos, Show Director of CTE said, “We are staging this event because buying decision-makers are challenged to keep up with the sector’s information and product innovations.” She added, “Manufacturers of lighting, controls, security and IoT solutions are challenged to find the complete buying audience for their products and services. CTE will provide the platform to bring these audiences together for a powerful and enriching two days.”

About Connected Tech Expo (CTE)

CTE, produced by Exponation, LLC, will be held at the Las Vegas Convention Center. **CTE** is the world's first and only conference and trade show exclusively dedicated to technologies that specifically serve the needs of professionals who design, manage and implement lighting, controls, security and IoT solutions for smart buildings and cities.

CTE will feature an educational conference offering eight tracks devoted to Smart Buildings (four tracks), Smart Cities (three tracks) and Smart Homes (one track). Each track will offer multiple 60-minute seminars as well as two or more 90-minute "super sessions."

Connected Tech Expo is being produced and presented by Exponation, LLC, the same show management team that has successfully produced Digital Signage Expo (DSE) since 2004 and in fewer than a dozen years grew that event to be the premiere industry and trade show in its category in the world. DSE hosts 5,000 attendees from the US and 70 countries worldwide. During that period DSE has been recognized on three distinct occasions as one of the "Fastest 50" growing trade shows in North America.
