

FOR IMMEDIATE RELEASE – August 21, 2018

LightShow West & Connected Tech Expo Announce 2018 Conference Program

Atlanta - LightShow West (LSW) and *Connected Tech Expo* (CTE) will present a two-day educational conference to include a CTE Keynote address, a total of 35 general conference sessions and six free on-floor workshops. The second day, Thursday, Oct. 18, will feature:

LightShow West

- The Dos and Don'ts of Working with Lighting Designers
- Energy Codes – Where Do We Go From Here?
- Lighting the Way to Enhanced Human Health and Well-Being
- Color-Tuning Fixtures of 2018-2019
- CA Title 24 - How to Design, Build and Commission a Compliant Project that Passes the Testing Requirements
- Roundtable: PM's Perspective on the H+L Conversation
- Improvisation in Design
- Demystifying 2018 IECC Code Changes
- Light and Health: What We Know and Don't Know in Applying the Research
- Navigating the Choppy Waters of Value Engineering: How to Deliver Better Value to the Owner
- 2019 Title 24 Code
- The Science and Application of Circadian Lighting in a Memory Care Unit
- A Five-Star Approach to Lighting Design
- Pragmatic Methods of Tuning White
- Treat Your Building as a Patient: The Use of Visible Light Disinfection to Reduce Surgical Site Infections

Connected Tech Expo

- Keynote: Tech for the Next Level of Design
- A Highly-Connected Smart HVAC Program
- Selecting and Deploying IoT Platforms on Lighting and HVAC Infrastructure
- Connectivity: The Key to Making Your Building SMART
- Intelligent Buildings and the Impact of the Internet of Things

On-Floor Workshops

- Lighting Design with Electrical in Mind
- What it Takes to Be an Independent Lighting Designer
- Dynamic Beam Shaping: The Next Dimension of Controlled Illumination

Note: New topics are still being added to the Thursday lineup. To see the entire program listing, click [HERE](#).

LightShow West, to be co-located with Connected Tech Expo, is the only trade show and conference specifically created for West Coast specifiers of commercial, architectural and high-design lighting products.

Connected Tech Expo, to be co-located with LightShow West, is the world's first and only trade show and conference exclusively dedicated to technologies that specifically serve the needs of professionals who design, manage and implement lighting, controls, security and IoT solutions for smart buildings and cities.

Mark Your Calendar Now

Historically a biennial trade show and conference, LightShow West will become an annual event this year and is scheduled for **October 17-18, 2018** at the Las Vegas Convention Center. LightShow West will return to Los Angeles in the fall of 2019. To reserve exhibit space, contact Lea Tranakos at (770) 817-5906. For more information, visit www.lightshowwest.com.

Mark your calendar now: CTE® 2018 is scheduled for **October 17-18, 2018**, with **access to the Exhibit Hall both days at the Las Vegas Convention Center**. To reserve exhibit space, contact Lea Tranakos, 770-817- 5906, ltranakos@exponation.net, or Jeanne Phillips, (770) 817-5903, jphillips@exponation.net.
